It does have a series of good introductory prayers for those interested in them

By Jaime PR on March 24, 2015

Information in it is too basic. It does have a series of good introductory prayers for those interested in them. However, it will not adequately explain what the religion is about.

Chief FAMA's work is outstanding and I purchased this book as a gift to a student. She loves it as I did years ago! Ifa never changes and Chief FAMA is an oustanding teacher via her writing. I highly recommend this book and all the others she has written.
